

Bandit OTW Walkthrough Write-Up

Level : 1

Step 1:

- Make sure you used the password from the previous level (Level 0 > 1) to login to bandit2 (level 1 > 2).

```
bandit.labs.overthewire.org - PuTTY
login as: bandit2
Pre-authentication banner message from server:

      bandit

This is an OverTheWire game server.
More information on http://www.overthewire.org/wargames

End of banner message from server
bandit2@bandit.labs.overthewire.org's password: [ ]
```

Step 2:

I used the `ls` command to display all files in my home directory. I found the only file in my home directory was named `-`. To read what was inside of the file, I used `cat ./-` (In order to read files that start with a dash, you have to redirect them to stdin with the `<` operator).

bandit1@bandit: ~

bandit1@bandit:~\$ ls

-

bandit1@bandit:~\$ cat ./"-"
